OCTOBER NEWS

Welcome back Pack 180. I trust everyone had a good summer and you are eager to get back into the scouting movement fulltime. We have several items on the calendar for this month.

October 16th - 18th we will be attending our annual Fall Family Campers, this is a great time to get your parents and siblings to go camping with us. We will be going to Camp George Thomas again this year and it looks like fun!

October 23rd -25th is the Centennial Camporee at the OPUBCO facility (Broadway extension and Britton road). 2010 marks the 100th year of scouting in the US and there will be scouts from all over the state here for the event. I look forward to seeing all the model campsites and crafts that they will have prepared for us

I would also like to congratulate 6 of our pack leaders. Four of them completed the first phase of woodbadge training this past month. They were Ken Baugh, Shannon Suttle, Nicky Steward and Connie Lane. In addition to those 4, Our very own Mike and Tammy Brown served as staff members to Sr967!

This year promises to be a great time for Pack 180 as all these leaders will have improvement tickets to help benefit the pack. The first of these items will be a combined World Crest history and World Friendship fund presentation coming up next month.

I would like to encourage anyone who would like to contribute, recipes, jokes or stories. Please send them to ken.baugh@cox.net

WORLD FRIENDSHIP FUND, BSA

The world friendship fund of the BSA offers a practical Good Turn opportunity for BSA youth members and leaders. Cash contributions are used to assist Scouting through the World Organization of the Scouting movement and through national Scout associations in developing countries. Tax deductible contributions can be from individuals, units, camp and training course groups. Unit participation in the World Friendship Fund offers a unique annual service project to benefit brother Scouts around the world. Save your pennies because we will have a WFF, BSA fund drive during the October Pack Meeting.
